

Members contact list

AT THE last AGM it was thought a good idea to produce a list of members with where they live and include their e-mail addresses. This, it was thought, would give members the opportunity to get in touch with any Mayflower neighbours who live near to them.

The list is fairly complete but if you are the owner of a missing piece of information please get in touch with me (John Oaker) in order to add your information to the list. Any mistakes — please do the same!
